Hemchandracharya North Gujarat University
(2019 - 2022)

EXPERIENCE:

Web Developer (Internship)

[HireMyStudios](#) (03/Jun/2024 - 23/Aug/2024)

About the Company - HireMyStudios is passionate about creating exceptional digital experiences. We offer comprehensive services in UX research, UI design, web development, and hosting.

Developed responsive websites using **HTML, CSS, JavaScript, React.js, and Redux.js**. Utilized **Appwrite** for backend development, implementing **user authentication** and **image storage solutions**.

Web Developer (Internship)

[Pixstrive](#) (06/Jul/2024 - 06/Sep/2024)

About the Company - At Pixstrive, we specialize in delivering comprehensive IT solutions with front-end and back-end development expertise. Let us bring your tech vision to life with our end-to-end services.

At Pixstrive, I gained hands-on experience with front-end technologies like **React, Tailwind CSS, and GSAP**, while managing codebases using **Git and GitHub**.

I worked closely with back-end teams to **integrate APIs** and used **Cloudinary for front-end image** management.

PROJECTS:

Mother's Market

[GitHub](#) | [Mother's Market](#)

Technologies Used: React.js, Redux, Tailwind CSS, Appwrite

- Designed a visually appealing website with high-quality images and essential market details.
- Developed a user-friendly contact page with a form, map, and contact information.
- Integrated call-to-action buttons like 'Subscribe for weekly updates' to boost engagement.

OMG Optical & Gift Articles Store

[GitHub](#) | [OMG Optical](#)

Technologies Used: Node.js, Express.js, MongoDB, HBS (Handlebars), CSS, Bootstrap, JavaScript

- Description: Developed a fully functional e-commerce website.
- We have implemented secure user authentication **with OTP verification using Twilio**.
- Designed a user-friendly interface with HBS (Handlebars), CSS, and JavaScript.
- Managed backend functionality with Node.js and Express.js, integrating MongoDB for database management.

HOBBIES:

Web designing - [Link](#), Yoga and Exercise, Cooking
